Good Advice.

New York Herald gives some ment of his office. native Island and take up arms in tonishing. her defence, and thinks that, if In mineral resources and mater- State for its violated laws.

One Hundred Millions.

richest man in North America, was one of the events of the past week. He was a quiet, unpretentious ganto his own business and to liberal charities bestowed privately and without ostentation, and was priccipally remarkable as being worth one hundred million of dollars, a large proportion of which was ins vested in real estate in New York City and vicinity. The career of his father, which was really full of interest and adventure, terminated when the late decendent was 56 years of age and the last twenty. seven years of the son's life were devoted to the improvement and management of his vast estate.

In speaking of the recent election of this gentleman as President of the Ruleigh and Caston railroad. the Norfolk Landmark pays that gentlemen the following deserved compliment:

This selection strikes us a very excellent one, and we congratulate ments now under his control furnishes the best evidence of his fine eling and financial public, and they | State ongles to refund to Prof. Kerr details with skill and judgment.
